Description

In partnership with Middlesex University and The International Early Years (IEY), the London Early Years Foundation would like to invite you to The Big Childcare Conversation (#Bigchildcareconversation)

The Early Years sector is stronger when we have one voice – we proved that with the #OBC.

So lets respond to the Childcare Commission and come together at the **Big Childcare Conversation** conference on the 19th September at Middlesex University where we will be debating the issues and ensure we remain motivated, upbeat and able to 'Occupy Childcare.'

Speakers include:

June O'Sullivan MBE - CEO of London Early Years Foundation

Professor Chris Pascal OBE - Director of Centre for Research in Early Childhood (CREC)

Professor Jayne Osgood - Professor of Early Childhood at Middlesex University

Professor Claudio Baraldi - University of Modena, Italy

Ruth Churchill Dower - Director of Earlyarts
