Dear All,
Hope you are well?

Many thanks for joining us on yesterday's tour of the energy centre and biodiversity tour across the University of Northampton campus. We are looking to repeat with another tour in July and will come back shortly with a date. If you would be interested in hosting a tour of your site or have suggestions for visits that would be useful for the forum please let me know.

If you have any questions from the tour, please do not hesitate to drop me an email.

Next Meeting – Focus on Sustainability Champions (Virtual)

We have spoken about sharing best practice on sustainability champions within organisations and sharing best practice. I will confirm the date for this (via Teams/ Webex) shortly. If you have any other items for the agenda please let me know

Knowledge Exchange for Better Business Project – free webinars related to Sustainability

As I briefly updated during the tour, we have a number of webinars scheduled over the coming weeks as part of the Knowledge Exchange for Better Business project and the series (attached/ below) focus on Sustainability related issues. Topics covered include as part of the Build Back Better Workshops:

- Strategic Visioning & Scenario Planning
- Good Governance Guide
- From CSR to ESG and Beyond
- International Market Entry Strategies
- Innovate or Die
