Federico Farini

Horizon Europe, How to develop a project

UON

Theme 1: preparing the ground

- how I got involved in successful projects (stepping stones towards becoming a partner)
- '…here's a call up my street, but I am confident enough to lead (yet); finding the right P.I….'
- from partnership to leadership
- taking care of my reputation
- how networks and partnership were built

University of Northampton

1.1 reputation

- how I got involved in successful projects

- taking care of my reputation (stepping stones towards becoming a partner)

- https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/work-as-an-expert
- https://reprise.cineca.it/en

University of Northampton

1.2 disseminating

- how networks and partnership are built, and maintained
- '…here's a I call up my street, but I am confident enough to lead (yet); finding the right P.I.…'
- from partnership to leadership

University of
Northampton

Theme 2: from stepping stones to stumbling blocks

- - What were the stumbling blocks towards building partnership?
- - What comes first? The network or the idea?
- - Right and wrong partnerships. The need of complementarity and reputation across the consortium

UON
University of
Northampton

Theme 3: the characteristics of a successful project

- innovation
- partnership
- methodology section
- work-packages, milestones, deliverables
- working with stakeholders for impact and participated research
- dissemination
- ethics and management
