Arts Centres in the UK & Ovalhouse

‘a building under the roof of which activities in more than one art-form took place and people of different interests and backgrounds came into social contact with one another’

Arts Council England, *A Tall Order: A Report on the Future of London Arts Centres*

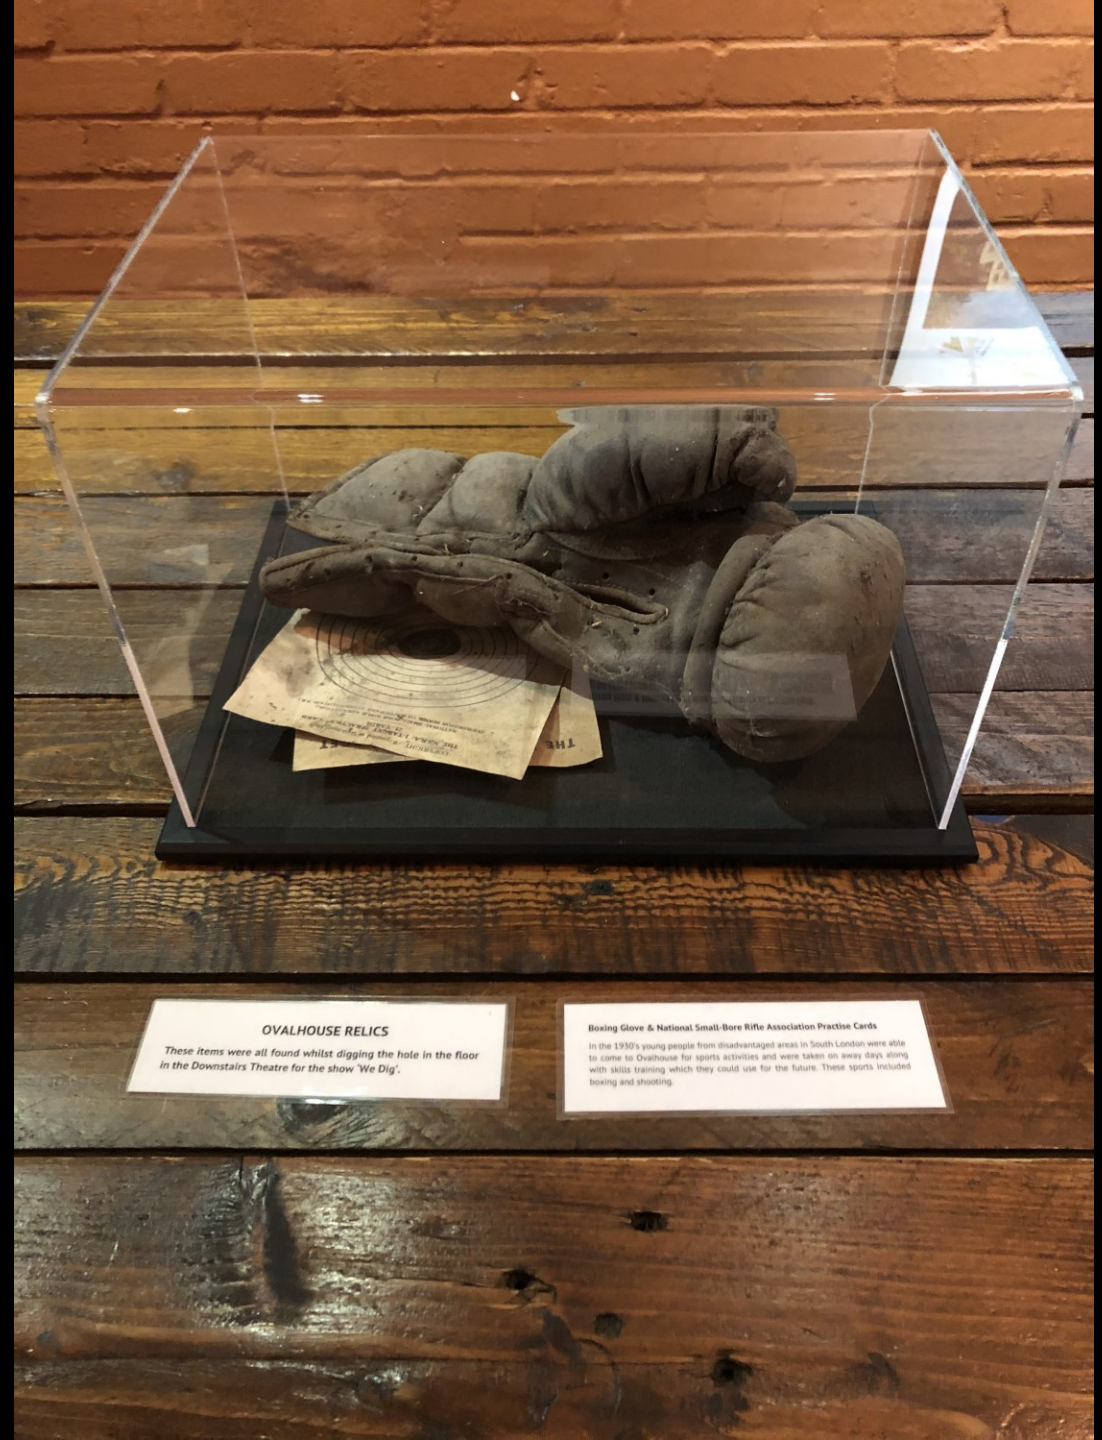

March 1994

‘we can’t allow our old, much loved building to hold us back. The new building has been designed to liberate contemporary artists to experiment and tell the stories of today’

David Hutchison, ‘Pierce Brosnan Backs Ovalhouse Fundraising Campaign’, *The Stage*, 8 October 2015
