Children Hybrid Integration  
Learning Dialogue as a way of Upgrading policies of Participation

**INNOVATIVE APPROACH**  
CHILD-UP researches different levels of integration of migrant children in Europe with the primary aim of proposing an innovative approach to improve their social condition and to disseminate the project outcomes by involving relevant national and international stakeholders

**CHILDREN'S AGENCY**  
CHILD-UP focuses on migrant children with the aim of fostering the understanding of their social integration within schools and their active participation for a successful inclusion. This objective is achieved through an innovative research approach focused on the concept of children agency
