

Environment

Resource, context, both

The enabling environment

Let's have a look

- *(the) enabling environment is a rich, stimulating, and safe space offering opportunities to play, to be, to learn and to explore both physically and mentally*

The enabling environment

Let's have a look

- *(the) enabling environment is a rich, stimulating, and safe space offering opportunities to play, to be, to learn and to explore both physically and mentally*

The enabling environment

The enabling environment

Let's have a look

- *(the) enabling environment is a rich, stimulating, and safe space offering opportunities to play, to be, to learn and to explore both physically and mentally*

The enabling environment

Environment as a resource

Environment that enable

Doing things with words

The EYFS describes the environment for play and learning in terms of the following three aspects:

- the emotional environment relating to atmosphere and feelings;
- the outdoor environment relating to accessible spaces and activities
- the indoor environment relating to accessible spaces and activities.

Environment that enable

The EYFS describes the environment for play and learning in terms of the following three aspects:

- the emotional environment relating to atmosphere and feelings;
- the outdoor environment relating to accessible spaces and activities
- the indoor environment relating to accessible spaces and activities.

Environment that enable

enable-er; enable-ed

The EYFS describes the environment for play and learning in terms of the following three aspects:

- the emotional environment relating to atmosphere and feelings;
- the outdoor environment relating to accessible spaces and activities
- the indoor environment relating to accessible spaces and activities.

Environment that enable

Environment as a context

Environment that enable

Environment as both

Agency in the environment that enables

Environment that enable

Environment as both

environment that enables, a resource for agency

Thank you
