

Caesar Wheel

Directions:

1. Paste this whole page onto thin card
2. Carefully cut around the two circles
3. Write the alphabet in RED around the SMALL circle
4. Write the alphabet in BLACK around the LARGE circle
5. Fix the small circle onto the big circle using a paper fastener through the centre (marked with a dot)

You are ready to use your Caesar Wheel

REMEMBER the plaintext
letters are written in BLACK, the
ciphertext letters are written in RED

ENCIPHERING = BLACK → RED
DECIPHERING = RED → BLACK
