

10 BILLBOARDS, 10 PLACES, 6 WEEKS

#INANOTHERPLACE

In Another Place – 10 billboards, 10 places, 6 weeks

Celebrating contemporary art across the East Midlands, In Another Place is a collaboration between the Contemporary Visual Arts Network East Midlands and ten venues bringing new art to new audiences. Each venue has invited visual artists to present original artwork on billboards in diverse locations, transforming these everyday advertising spaces into a vibrant display across the region.
